Address: Samut Prakarn, 10540

## WORK EXPERIENCE

### Campus Tour I Preparation Program

- Reviewed the 1<sup>st</sup> and 2<sup>nd</sup> floors, giving a tour of classrooms and important rooms used for learning.
- Worked as the camera man and oversaw the overall coordination and order during filming.
- prepare the filming location to ensure order and a noise-free environment, and obtained permission before shooting to respect privacy.

### Sustainable Development Goals I Problem Solving

- Helped my friends come up with 5 questions about the topic "Life Below Water."
- Assigned tasks to team members for interviewing seniors and helped create the video and presentation slides.
- Presented the project about Life Below Water in front of the class.
